

How to Create a Word Frame

Option #1

- Purchase a package of pastel-colored 4 x 6 index cards at an office supply store.
- Use a sharp knife and cut a rectangular hole in the middle of it.
- It should end up looking like the blue Word Frame on the next page.

Option #2

- Find a piece of colored construction paper or cardstock that is 8 ½ by 11 inches.
- Use a sharp knife and cut it in half so that it is 8 ½ by 5 ½ inches.
- Use a sharp knife and cut a rectangular hole in the middle of it.
- It should end up looking like the blue Word Frame on the next page.
