

Only for students in Level 4 or higher

One Franklin Spelling Ace, model SA-309, is included inside each Level 4 box.

If you want or need another one, (and yes, it must be exactly the same model), order it from **Spelling Success** (the maker of those fun Barton Card Games).

Just click on this link:

www.spellingsuccess.com/products/

In the column on the left, click on Electronic Spell Checker.
